Safe2Go Pass Usage

Step 1

Sign up

You can use after signing up.

Step 2

Travel itinerary registration

It guides you to the available test schedule in accordance with the registered itinerary.

You can book for the test after registering the (planned) itinerary.

Step 3

Test reservation

You can book by selecting the desired time and testing center.

Up to 3 accompanied persons can be booked

Step 4

Pre-questionnaire

In order to reduce on-site waiting time for COVID-19 testing, you can submit an advance questionnaire in advance.

Step 5

COVID-19 test

You can get an inspection that meets the entry requirements at the airport inspection center.

Step 6

Issuance of test results

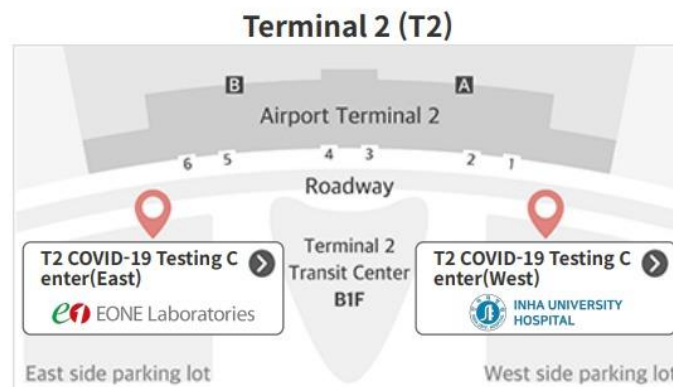

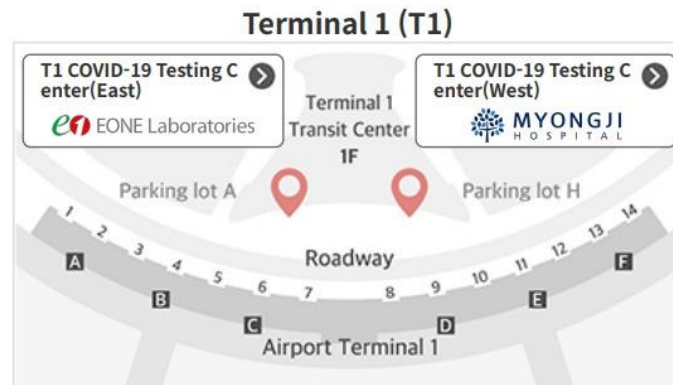

Through notification of the test result, you can check the test result according to the method of receiving the result.
